Re: Approval and Request to Finalize Report
Draft Dense Non-Aqueous Phase Liquid (DNAPL) Recoverability Report
Detrex RD/RA Source Area, Detrex Facility, Ashtabula, OH
URS Corp., April 12, 2013
Transmitted on behalf of Detrex by your April 12, 2013 letter

Dear Mr. Schmidt:

Following up to our phone conversation earlier today, I am providing our approval of the technical information presented in the *DNAPL Recoverability Report*, and recommend that the report be finalized so that it can be included in the Fields Brook administrative record.

EPA has no opinion on the Conclusions and Recommendations section of the report.

If you have any questions I can be reached at 312 886-4843.

Sincerely,

A handwritten signature in blue ink, reading "W. Owen Thompson", is located below the "Sincerely," text.
